Selectmen's Meeting WANTS TO AMEND ZONING MAP

Russell LaFrance presented a petition with 170 signatures to the Board of Selectmen at last week's meeting to place an article in any upcoming Special Town Meeting. The article would be to amend the Zoning Map to change the area designated as Marine Residence (MR) to Waterfront 30 (W30), said area as bounded and described as follows: northerly by the southerly line of the W30 District at Molly's Cove; easterly by the Mattapoissett Harbor; southerly by the Bay View Avenue (Mattapoissett Shores); and westerly by Harbor Road and Mattapoissett Neck Road.

NAMED ASSISTANT TREASURER

Selectmen voted approval that Kathleen Briggs be named Assistant Treasurer. The Personnel Board recommended this request from town Treasurer, Allen Sherman. Mrs. Briggs had been classified as Clerk in the Treasurer's office.

LETTERS OF APPLICATION FILED

Selectmen filed letters for applications for the following: Pamela Hiller requesting to be considered as a member of the Recre-

Selectmen appointed four part time police officers as requested by Police Chief Duane Tuttle, to be put on duty as soon as possible. The four appointed are Howard Mifflin, Milton Heuberger, Jr., Albert Robichaud and David A. Martin, Jr.

Goodspeed

WILL GO TO SPECIAL TOWN MEETING

The meeting between Goodspeed Island owners Daniel Mahoney and Neilson Abeel and local petitioners did very little to change any minds or plans concerning the future of the "island". Mr. Abeel and Mr. Mahoney outlined their plans for building 2 or at maximum 4 residences on the site and expressed their own interest in preserving the nature and ecology of the area.

Opponents of the proposal to allow Selectmen to negotiate an easement to allow the owners access to their land via the sewer line right of way which was voted

favorably at the annual Town Meeting expressed many arguments in opposition. They argued that it would constitute a betterment in that the town had to fill land to provide the present negotiable link to the land. They argued that it constituted a special privilege in that only the landowners' vehicles and guests would be allowed motor vehicle access through a barred gate or chain to which the Goodspeed landowners would hold a key. They claimed that the town would be giving up a privilege to use the right of way as pedestrian path or bike path unchallenged by motor vehicles. The opponents charged

that wildlife and birdlife would be upset by the building on the island.

Both Mr. Mahoney and Mr. Abeel stated that having roots in Mattapoisett and a personal concern with conservation they are interested in preserving the natural beauty of the area and the wildlife habitat. They said that any change would be minimal.

Mr. Abeel said that when he was growing up and exploring Goodspeed Island trains ran over the right of way and trolleys ran under it. He said that in view of that he could see no more of a hazard in motor vehicle access to 2 residences. Nothing is complete without risk he stated.

Mr. Mahoney said that the use of the sewer line right of way, in his opinion, was the most reasonable alternative to reaching Goodspeed Island and one that posed the least damage to the ecology of that region. He said that plans would be reviewed and that he would try to appear at the Special Town Meeting with "something more palatable".

GUARDED APPROVAL GIVEN CONSERVATION-RECREATION PARK

In an information meeting arranged by the Board of Selectmen featuring thoughtful searching questions and courtesy, Mattapoisett residents gathered information on

the proposal by the State of Massachusetts to establish a preserve of open land on the coast from a gift of 219 acres of bay front from the Earl Boardman property.

Mr. Robert Yara, Chief Planner of the Department of Conservation Affairs of the Department of Environmental Management, explained the proposal. He said that the site (see map) consists of 219 acres in two separate parcels of land fronting the water and containing no beach. The parcel which adjoins Aucoot Road (top of map) abuts a

Mattapoisett Town Beach and marsh. Holly Woods Road is the access to a gravel parking area of no more than 50 spaces which is located on the map close to an existing tree farm. Mr. Yara explained that plans are in the most preliminary stage since a development depends on the acquisition of a Federal Grant and favorable reception by townspeople of Mattapoisett. He said that the land is for passive use only to preserve wildlife, limited development to a visitors' center and office. The preservation of wildlife features include a herd of white tailed deer and many birds. He explained that he was present to gather comments and advise and that Federal funds were by no means committed.

Mrs. Priscilla Hathaway expressed the opinion that Mattapoisett should consider acquiring the property adjacent to its beach before the State comes in. She asked if the town could file for the same Federal Grant funds that Yara's office seeks. He answered, "Yes". (In

a previous statement, Mr. Yara had explained to Selectmen that application for Federal funding had been made just under a cut-off deadline.)

Mrs. Rita Dunn asked, "Have Mattapoisett Assessors gathered figures on possible property value loss on property adjoining the proposed park?" Selectman R. William Blasdale, chairman, answered that they had not. She expressed the opinion that property value might decline. Mr. Yara replied that since the only facilities were of a nature trail and hiking sort, the type of person who would be a problem would not be attracted to the park, as shown by experience in other areas. Property value could well go higher because of the open land, he stated.

Mrs. Katz asked the meaning of perpetuity. Yara replied that Article 97 of Conservation law requires a 2/3 vote of both houses of the Legislature with the Governor's approval to change the use of conservation land. He stated that not a single change has been made under this Article 97. It would not only be difficult to get the votes but expensive because the State would have to reimburse the Federal Government for the grant plus interest he explained.

Mr. Yara said that full time staff would be on duty in the summer season and money would be sought for a part time winter staff. He said the parking area would be closed in off hours by a substantial gate. He said that it has been a habit to attach a cottage to the office facility to provide full time security.

CALIFORNIA STORM STAIN

SOLID COLOR STAINS — Linseed Oil or Urethane Latex

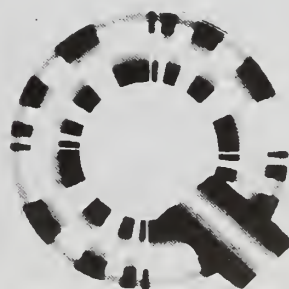

- Rich natural tones blend the color and grain of the wood but do not obscure the texture.
- Maximum hiding power in the water repellant finish.
- Cover previously stained surfaces.
- One coat for similar colors or two coats for contrasting colors.
- Deep color penetration — Helps avoid deterioration of wood.
- Mildew resistant and blister resistant on properly prepared surfaces.

SEMI-TRANSPARENT STAINS — Linseed Oil or Urethane Latex

- Natural appearance and texture allows wood to retain its natural beauty without detracting from the bold graining and configurations inherent in wood itself.
- Colors that blend with natural settings and other finishes.
- Penetrating finish helps protect against deterioration of wood.
- Weather gracefully without chipping and peeling.
- Performs better than solid color stains on decks, rails and outdoor furniture.
- Water repellant finish fully protects the natural mellowness of wood from the ravages of changing weather patterns.

BLEACHING STAIN — Transparent Oil Stain

- A natural transparent oil rich stain that quickly produces a uniform silvery gray antique appearance when exposed to natural weathering.
- Designed for use on unfinished wood only and is not recommended for use over painted, stained or sealed surfaces.
- Excellent longevity without blistering or peeling. Retains its natural weathered look throughout the years.

Mr. William Leahy brought up the question of vandals, citing Ned's Point as an example. Selectman Blasdale asked Mr. Yara about the responsibility to maintain order. He replied that it would be interaction between game wardens, state and town police.

James Greene said that he is often out at 2 a.m. now chasing hoodlums. He asked what's to stop people from using woods roads and swimming on a hot night which is possible beach or not? Mr. Yara replied that there is no good answer. He said that the department has a good track record and would work with townspeople.

Joan Bell expressed concern about the narrow access road and asked if plans were to widen the road. Mr. Yara replied

that the peak use of 40 to 50 vehicles would be a very minor problem and no widening would generally be done. He said that compared to a development of the land which might support 200 units with an average of 1 1/2 cars per home it would be a minor problem.

Warren Bell inquired, "Is fishing and shellfishing part of the program?" Mr. Yara replied, "Yes", but he said that camping is not contemplated because the area would not support it. He said that camper vehicles would be accommodated in the parking area if of a size to fit the designated area.

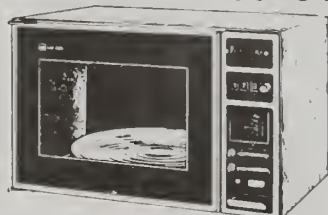

Barry Herwitz noted that the herd of white tailed deer would preclude a fence because a fence to hold people in the park would keep the deer out.

Blanche Perry expressed a concern with overflow. She said people who travel long distances to reach the park would not be aware of the 50 space limit. "They will park somewhere", she said.

Mrs. Hathaway asked, "Why not local development?" Mr. Blasdale replied that his Board had never contemplated a 3/4 million dollar town purchase.

Wayne Walega asked for a comparison between town versus state ownership. Mr. Yara replied that under Article 97

the same restrictions would apply if the land were conservation land and that, if any state or federal funds were involved, outside access could not be barred. It could not be limited to town use only.

William Hall expressed the view that it is very important that something be done in the area so that it would not go into development of homes.

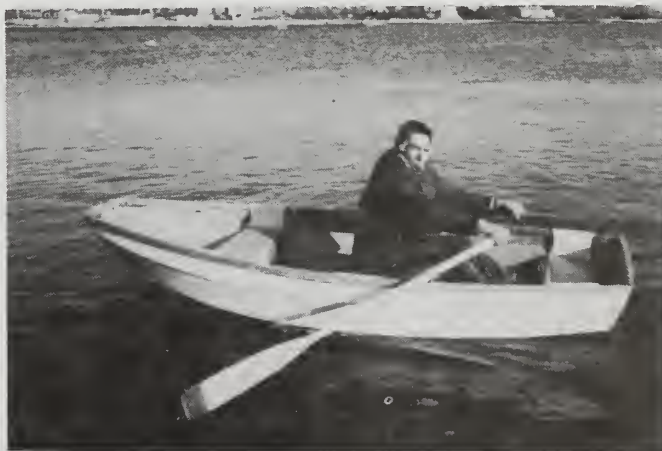

In answer to the question of tax revenue Mr. Yara replied that it would work out about the same as now in state reimbursement to Mattapoisett. Richard Belty, who asked that question, noted that if Mattapoisett acquired the land then there would be no tax reimbursement.

Chairman Blasdale asked for a sense of the meeting. Eleven people voted strongly

in favor; 25 in favor but need questions answered; 23 strongly opposed.

ORIENTATION FAIR

Thanks to the Class of 1983, Old Rochester's Class of 1984 will enter the high school with no fear or trepidation. Last week's Orientation Fair was the Freshman class's own idea, and featured booths on every subject and sport that 8th graders can look forward to. Hoping to make it an annual event, a similar program is planned for next fall.

Officers of the Class of 1983 are: Gerald Lanagan, president; Kate Black, Vice President; Lisa Burnett, Secretary; David Jardin, Treasurer. Class advisors are Mrs. Ouimet and Mrs. Field.

VOLUNTEER ENRICHMENT PROGRAM

The Old Rochester Regional Junior High School announces the formation of a Volunteer Enrichment Program. Individuals and community organizations are asked to contribute voluntary service to complement the instructional program at the Junior High School. Volunteers are invited to contribute their services in the school library,

for arts and crafts demonstrations, and assisting with classroom projects.

Presenters are needed to discuss local government, career possibilities, environmental issues and topics of current in-

early deadline to ensure seats or reservations. Please be sure to get your money to Amy Peters in time. Her hours are 8:30 a.m. to 1:30 p.m. weekdays except holidays, and the number at the Town Hall to call is 758-3758 for reservations.

We would like to add a word or two on our trips. Those of you who have been to the Heritage Plantation know what a beautiful place it is, with its three museums, its little transportation caravan, and its fabulous collection of rhododendrons and azaleas which we hope will be in full bloom at this time of year. The trip on Tuesday, June 10, to the University Museum at Harvard College will be a very interesting one. Because of its size, the visit will have to be limited to the Botanical Museum (glass flowers), Comparative Zoology (animals), and Peabody (human cultures). I do not think that we have visited the New England Fire and History Museum before, but it should make a nice trip on Thursday, June 26. June 5 is the deadline to notify Amy if you would like to attend the annual ceremony of the Blessing of the Sick (Sunday,

June 22, at La Salette Shrine 2:00 to 4:00 p.m.). We will plan a trip only if we have enough reservations.

Beginning the week of May 27 or June 2 Mrs. Ruth Elsbree will start her work of

PSI CHAPTER DKG MEETING

The annual meeting of Psi Chapter DKG was held at the American Legion Hall in Mattapoisett with a pot-luck supper. Reports were read noting activities of the past year. Mrs. Isabelle Braley gave an impressive memorial tribute to Margaret King, the first Chapter president. Candles were lighted in the annual service to the DKG founders, honoring the dignified women who worked on behalf of the Women in Education.

An essay contest on Outstanding Women in the Greater New Bedford area had been offered to the high school pupils. The winners were Maria Fraga from Holy Family, Kathy Nichols and Cindy Souza from New Bedford High, with two being present and reading their essays.

Installation of a new slate of officers was presented and duly installed for 2 years: President, Mary E. Seeley; First Vice President, Evelyn Pursley; Second Vice President, Patricia Mello; Recording

FORT PHOENIX CHAPTER

The May meeting of Fort Phoenix Chapter DAR was held at the home of Mrs. Charles Nealy, Jr. of Fairhaven, preceded by a delicious luncheon.

Regent Mrs. Daniel Gifford conducted the opening DAR Ritual after which Mrs. Joseph Nowak, Chaplain, gave the prayer. The President General's message from Washington was read by Mrs. Kenneth Winslow, Vice Regent. The National Defense items from DAR National Defender concerned why women should not be drafted and support for an adequate defense nationally. After Mrs. Charles Maxfield gave the Secretary's report. It was voted to reimburse Mrs. Leonard Elden, the delegate to the 89th Continental Congress of DAR in Washington for some of her expenses.

Mrs. Elden outlined all the festivities of her week in Washington. It was the first time she had seen or visited the very beautiful DAR Constitution Hall, situated near the White House. She enjoyed seeing the exquisite rooms of period furnishings from our various States as well as the DAR museum where many articles belonging to U.S. Presidents or their wives are displayed. The first session opened with a prayer given by the United States Senate Chaplain, and a speech by the columnist James Kilpatrick. The speaker for the National Defense luncheon, of which Mrs. Phyllis Schafly is chairman, was Brig. Gen. Albion Knight, USA Ret. The

ees. The annual Merit Scholarship competition is administered by the National Merit Scholarship Corporation and the Acushnet Foundation Scholarship winners are chosen by N.M.S.C. from among the children of Acushnet Company employees. Winners are chosen on the basis of test scores, academic record, leadership, significant extracurricular accomplishments and other standard requirements established by N.M.S.C.

Each Acushnet Foundation Scholarship is a renewable award, covering up to 4 years of full-time study. The amount of the stipend accompanying the scholarship is based upon the individual winner's financial need, a computation which takes into account the family's financial situation and the costs of attending the college of the winner's choice. The maximum amount that may be awarded to a winner is \$2,000 per year for up to 4 years, or until completion of requirements for a Bachelor's Degree, whichever occurs earlier. The minimum stipend is \$500 per year.

The four Scholarship winners for 1980 are: Sandra E. Brown, Rose Anne Schwender, John P. Simmons and Andrew J. Smith.

Two of these winners are Mattapoisett residents.

PHOTOGRAPH EXHIBIT

An exhibition of 50 photographs will open at the New Bedford Whaling Museum on Wednesday, May 28. Museum hours are Monday through Saturday from 9:00 to 5:00 and Sunday from 1:00 to 5:00.

These photographs are the work of two New Bedford photographers: Joseph G. Tirrell and Joseph S. Martin. In 1897, Tirrell began to photograph the streets, wharves and buildings of his native city, New Bedford.

When Tirrell died in 1907, his young assistant, Joseph S. Martin, took over, and the result was 40 continuous years of city views.

The transition of New Bedford from a nineteenth to a twentieth century city has been preserved in this unusual collection.

Tobey Anniversary

DIRECTOR OF NURSING REFLECTS ON
TOBEY HOSPITAL'S FORTIETH ANNIVERSARY

To Rachel Penti, the Director of Nursing Services at Tobey Hospital, the 40th anniversary celebration evokes fond memories of Tobey's first Chief of Staff, Dr. Raymond D. Stillman.

For Dr. Stillman, the opening of Tobey Hospital was the fulfillment of a dream he had since he first settled in Wareham in 1922. According to Mrs. Penti, this dedicated physician gave his whole life to his patients - so much so that he was always available, night or day. Once he was even called upon to deliver a calf: And very often he forgot to bill his patients.

As a child, Rachel Penti remembers climbing upon the doctor's lap when he came to make a housecall. He always had time for children and would give them a throat stick to play with. It was Dr. Stillman's inspir-

ation that led her to the nursing profession.

Mrs. Penti describes the original Tobey Hospital building. It had 40 beds and 14 bassinets. Pediatrics was in what is now room 215. The emergency room and laboratory were tucked away in the spot where the radiologists are now. The second floor had a solarium for the patients. However, that solarium very quickly filled up with beds -- sometimes as many as 5 or 6 patients were

Although the maternity section is still located in the same area, the delivery room was on the third floor. As a young nurse, Mrs. Penti remembers transporting mothers in labor from the first floor to the delivery room via elevator and always wondering what would happen should the elevator shut down.

When the delivery room was occupied, other patients in active labor were placed adjacent to the delivery room for close observation. The nursing supervisors often gave drop ether for anesthesia in those days, covered the emergency area, circulated in the O.R., and provided training for any new staff on their shift.

The hospital was full with the census hovering around the 45 to 55 patient mark and

there averaged about two deliveries on each shift!

Often floor nurses would scrub for the O.R., but if the floor was exceptionally busy, the day supervisor or the hospital superintendent would be called upon to scrub. When patients were transported to other hospitals, a floor nurse manned the ambulance.

Rachel Penti arrived at Tobey Hospital in 1944 right after graduating from the Massachusetts General Hospital School of Nursing. On her first day, she was put in charge of Maternity. Now nurses at Tobey Hospital receive a full two-week orientation and are rarely placed in a charge position until they have had ample time to familiarize themselves with the unit.

In the 1940's, nurses worked 12 hour shifts, from 7 to 7, with 2 1/2 hours off in the middle of the day or the middle of the night. The weary ladies would just curl up in a chair and rest in their breaks.

The hospital grew and the practice of nursing has changed. Now there is the nursing process, a new patient classification system, and the problem oriented record, along with three 8 hour shifts. There are also regulations to comply with, Joint Commission on Accreditation of Hospital standards, and Department of Public Health directives. The nursing services department at Tobey Hospital has kept abreast of all these - and has even been the leader in some. And yet, each patient at the hospital knows

GOLF

The golf team had three matches recently. First the Bulldogs took on New Bedford Voke. OR won 6-2 with the help of Eric Enroth with a 41, Paul Andrews with a 39, Karl Enroth with a 39, Dennis Mello with a 46, Ted Drew with a 42, and Mike Santos shooting a 43.

OR then lost to Barnstable 8-0, and then lost to Bourne. The only two winners for OR in the Bourne match were Paul Andrews with a 40 and Karl Enroth with a 41.

BASEBALL

The Bulldogs didn't start off the week too well as they lost to Bourne 1-0. Although OR couldn't manage much on offense, Jeff Pavao pitched very well.

The locals then rebounded and beat Holy Family 6-2. Jeff Pavao had 2 hits and 2 RBI's, and Carlos Coelho and Jeff Hoff

BOYS' TENNIS

The boys' tennis team first took on Di-man Voke this week. OR lost 3-2. In singles it was Dave Russell, and in doubles it was Panek and Bridge.

OR next lost to Apponequet 1-4. Peter Gardner was the winner in singles by a score of 6-3, 6-2.

OR then beat DY 3-2. John Marvin won in singles, and Douglass and Panek in doubles.

OR then shut out Bourne 5-0. In singles it was Gardner, Marvin, Bridge, and in doubles the teams of Panek and Douglass, and Lorenz and Bridge were successful.

OR now has a record of 9-9.

Coach Hohne commented that the younger players were showing both improvement and promise.

SOFTBALL

OR lost to Barnstable early in the week by a score of 5-3. Doreen Grenier pitched and Margaret Worden led the hitting with 2 hits.

OR then lost to Falmouth 9-6. Grenier pitched and Darcy Pina did a fine job of-

fensively with 2 hits.

OR then again lost, this time to New Bedford 2-1. Darcy Pina and Laurel Ainslie both had 2 hits. Tracy McGrath also had an RBI on a fielder's choice.

Secretaries Assoc.

On Sunday, June 1, the first installation of members and officers of the New Bedford Chapter of the National Secretaries Association (International) will take place at the New Bedford Country Club in North Dartmouth. Sponsored by the Taunton Chapter of NSA, 39 charter members will be installed.

Special speakers are Mayor John A. Markey of New Bedford and Frederick A. Rubin, President, Chamber of Commerce.

NSA is the world's leading organization for secretaries, directed toward elevating secretarial standards by means of continuing education; fostering programs for personal and professional growth and development; fulfilling the spoken-authority role for the secretarial profession; forecasting changing directions, trends, and requirements that affect office practices.

Installed as President will be Joyce LeBlanc of PCI Group Inc. of New Bedford, and Sandy Prescott, Recording Secretary, of Sippican Corporation in Marion.

For further information, contact either of the above officers.

Secretaries' Seminar

A seminar series entitled "Skills and Techniques for the Professional Secretary", will be presented on five consecutive Saturday mornings, 9-12, beginning May 31, at South-eastern Massachusetts University.

Topics will include "Decision Making", "Problem Solving", "Telephone Communications", "Transactional Analysis", and "Improved Business Correspondence", and will treat other skills in high demand by area employers.

The sessions minimize theory and emphasize the practical skills and techniques required for the successful professional secretary. The sessions will be held in room 219 of SMU's Group 1 Building.

LEGAL NOTICE
TOWN OF MATTAPOISETT, MASSACHUSETTS
MATTAPOISETT PLANNING BOARD
NOTICE OF PUBLIC HEARING

A Public Hearing will be held on TUESDAY, JUNE 17, 1980, at 7:45 P.M. in the Conference Room of the Mattapoisett Town Hall concerning the following ZONING ARTICLES for the Special Town Meeting to be held on June 30, 1980.

- A. To see if the Town will vote to amend the "Zoning Map of Mattapoisett, Massachusetts, Dated November 1, 1967 as revised to change the area designated as Marine Residence (MR) to Waterfront 30 (W 30) said area as bounded and described as follows:

NORTHERLY by the southerly line of the W 30 District at Molly's Cove;

EASTERLY by the Mattapoisett Harbor;

SOUTHERLY by Bay View Avenue (Mattapoisett Shores) and;

WESTERLY by Harbor Road and Mattapoisett Neck Road.

or take any other action thereon.

- B. To see if the Town will vote to amend the Zoning By-Law of the Town of Mattapoisett by deleting in its entirety Section "B.2. Establishment of Official Flood Plain Zoning Map" of the "Regulation of Flood Hazard Areas" and substituting the following therefore:

" 2. Establishment of Official Flood Plain Zoning Map.

The Flood Plain District is herein established as an overlay district. The underlying permitted uses are allowed, provided they meet the following additional requirements, as well as those of the Massachusetts State Building Code dealing with construction in floodplains and coastal high hazards.

The Flood Plain District includes all special flood hazard areas designated as Zones A, AI-30 on the Mattapoisett Flood Insurance Rate Map (FIRM), dated December 3, 1979, on file with the Town Clerk, Planning Board and Building Inspector. These maps as well as the accompanying Mattapoisett Flood Insurance Study are incorporated herein by reference."

or take any other action thereon.

- C. To see if the Town will vote to amend the Zoning By-Law of the Town of Mattapoisett by adding the following paragraph 3 to Section B.8. of the "Regulations of Flood Hazard Areas":

" Located within the Flood Plain District are areas designated as coastal high hazard areas (Zone V). Since these areas are extremely hazardous due to high velocity waters from tidal surges and hurricane wave wash, the following provision shall apply:

- a. All new construction shall be located landward of the reach of the mean high tide."

or take any other action relative thereto.

- D. To see if the Town will vote to amend the Zoning By-Law of the Town of Mattapoisett by deleting in its entirety Section VII 3. Variances, and substituting the following Section VII 3.

"3. Variances. To authorize upon appeal, or upon petition with respect to a particular parcel of land or to an existing structure thereon, a variance from the terms of this By-Law, including the restrictions governing use of any such parcel or structure, where the Board of Appeals specifically finds that owing to circumstances relating to the soil conditions, shape, or topography of such land or structures and especially affecting such land or structures but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this By-Law would involve substantial hardship, financial or otherwise, to the petitioner or appellant, and that desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of such ordinance or By-Law."

or take any other action thereon.

- E. To see if the Town will vote to amend the following sections of the Zoning By-Law of the Town of Mattapoisett:

Subsection 4. of Section V B entitled "Use Regulations - Residence (W 30) Permitted Uses"; Subsection 2. of Section V C entitled "Use Regulations - Village Residence, Permitted Use: (VR 10)" and Subsection 2 of Section V D entitled "Use Regulations - Marine Residence District, Permitted Uses (MR)" by striking the words "If authorized by Board of Appeals:" and substituting the following:

"The following uses, if authorized by a special permit granted by the Board of Appeals pursuant to Section VII.B.2. of the Zoning By-Laws,"

or take any other action thereon.

- F. To see if the Town will vote to amend the Zoning By-Law, Section VII entitled "Administration"; Sub-paragraph B. entitled "Board of Appeals" as follows:

1. By amending the Sub-paragraph B. entitled to read as follows:

"B. Board of Appeals or other Permit Granting Authority."

2. To delete the last sentence of the first paragraph under Sub-paragraph B which now reads "The Board of Appeals shall have the following powers:"

and substituting therefor the following:

"The Board of Appeals or other Permit Granting Authority shall have the following powers."

3. To strike Sub-paragraph B.2 entitled "Special Permits" and substitute the following:

"2. Special Permits. To grant in accordance with General Laws, Chapter 40A, Section 9 a special permit for an exception as provided by sections of this By-Law when it shall have found that the use involved is in harmony with the general purpose and intent of this By-Law and will not be detrimental to the established and future character of the neighborhood and Town and subject to appropriate conditions or safeguards as deemed necessary."

4. To insert in the first line of Sub-paragraph B.3 entitled "Variances" the following language:

"In accordance with General Laws, Chapter 40A, Section 10"

so that said first line reads in part as follows:

"To authorize in accordance with General Laws, Chapter 40A, Section 10, upon appeal, or upon petition"

or take any other action thereon.

NCAA ALL-STAR RULE

A new National Collegiate Athletic Association all-star rule will affect the eligibility of boys who aspire to play college football or basketball. If a boy plays in one unsanctioned, or more than two sanctioned football or basketball all-star games after his high school eligibility is completed in that sport, he will be ineligible for participation in that sport during his college freshman year. This rule becomes effective on August 1, 1980.

The term "sanction" applies to events that are approved either by the Massachusetts Interscholastic Athletic Association, Inc. (M.I.A.A.), or the National Collegiate Athletic Association (N.C.A.A.).

VOLUNTEER BOARD SEEKS MEMBERS

The New Bedford Community Service Area Advisory Board of the Department of Public Welfare is seeking new members, according to the announcement of the President, Mrs. Harriet Phillips, Chairman of the Board.

The Advisory Board, according to Mrs. Phillips, has had an active involvement in many issues that related to the services of the Department of Welfare, including the child abuse hotline, emergency assistance, foster parents, and the use of space in the local offices. Meetings have been held monthly at one of the area offices - New Bedford, Fairhaven or Wareham. Persons from the Board represent the area on the Committee on Local Boards on the state level. One of the members of the Board, Mr. Robert Burgess, is a member of the State Advisory Board.

Although many of the services now under the Department of Public Welfare will be transferred to the responsibility of the new Department of Social Services, there will continue to be the need for involvement of local citizens in the Community Ser-

vices area Advisory Board. Persons, including recipients, who desire to become members of the Board should contact the Secretary to the Director of the New Bedford office of the Department of Public

CEDAR SWAMP STOMP - MAY 31st

Saturday morning, May 31st, the Children's
Museum will lead a Cedar Swamp Stomp.
The Acushnet Cedar Swamp is a unique en-
vironment formed by the damming of the
Paskamanset River. It is especially unique
because there is evidence that the swamp
was once the site of a primeval white cedar
forest. Gigantic white cedar stumps are
still visible and can be explored and examined
for their age, which in some cases indicates
that the tree was alive in 1500 A.D. We
hope to spot some insect eating plants and
study the ongoing struggle between the red
swamp maples and the white cedars. Un-
usual wild flowers should also be in bloom.
Please join us for another exciting adven-
ture! A great opportunity for the historian,
the naturalist and all other curious folk.
